

NOW AVAILABLE: Blended tMHFA

tMHFA can be taught fully In Person or in a Blended format that combines self-paced and Instructor-led learning. All Instructors must take the standard 3-day tMHFA Instructor training, which certifies them to teach the in-person course. After taking the standard 3-day Instructor training course, Instructor candidates can register for an additional 1-day training to become certified in the Blended learning option.
